

## SCARLETT O'HARA

Scarlett O'Hara has been an icon for the true image of a "southern belle". She was well known for not letting anything stand in her way of getting what she wanted. If you want to shoot but the shotgun is "not your best friend", then we have the category for YOU! Don't let the shotgun stop you from having shooting fun! Do things your own way and shoot the Scarlett O'Hara category of two pistols and a rifle.

"Frankly my dear, I don't give a damn" when folks say you have to shoot 4 guns in cowboy action. Welcome to the Outlaw Range, where we make our own rules to have FUN!!!

Yes, guys, at our regular shoots, you may shoot Rhett Butler which is two pistols and a rifle.!!!!!!

YEEHAW!!!
